## Declaration of Cooperation

The signature on the front of this page indicates that they are responsible for making regular and timely tuition payments for each child enrolled.

1. Failure to pay delinquent sums within 30 days may result in suspension unless arrangements are made with the school treasurer. The student will be dismissed from school if enrollment is delinquent for 60 days. I understand that I will not be given transcripts, records, or report cards until I bring the bill current. I also understand that any legal or collection fees will be passed on to me as part of the unpaid bill.
2. I understand that I am under contract with Adventist Christian Academy for full school year tuition, unless the school board approves the release of payment in writing.
3. We pledge our allegiance to the goals and ideals of the school and I will bring any questions or criticisms directly to the teacher so that the administration and those in authority can properly consider them.
4. I give permission for my children to participate in all school activities, including school-sponsored sports and off-campus field trips, and I absolve the school of liability for any injury to me or my child caused at school or during any school activity.
5. If the school is unable to contact me in the event of a serious illness or accident, I authorize the school to call our doctor and follow his instructions. If it is not impossible to contact our doctor, the school can make arrangements as needed.  
(See Consent to Processing in Case of Emergency)
6. Adventist Christian Academy and Charleston SDA Church will not be responsible for charges not covered by student insurance.
7. If there is any legal action, for any reason, that is made against Adventist Christian Academy, or its employees, or other agent thereof on behalf of my child and they are found guilty, I will pay the attorney's fees, damages or other expenses that Adventist Christian Academy and its agents may incur defending against such action.
8. If any provision of this Agreement is held to be invalid, the remaining sections shall remain in full force and effect.
9. I understand that if my child is transferred to another school, records will be mailed to the new school only upon receipt of an application. Official records will not be given to parents.
